An act to add Section 12019.5 to the Government Code, relating to state government.

LEGISLATIVE COUNSEL'S DIGEST

SB 1327, as amended, Cannella. State government: business information: Internet Web site.

Existing law requires a business to obtain various licenses from regulatory agencies. Existing law requires state agencies to take specified actions, including, but not limited to, designating a small business liaison, to assist small businesses to achieve compliance with statutory and regulatory requirements.

This bill would require the ~~Governor to establish an~~ *Director of the Governor's Office of Business and Economic Development to ensure that the office's Internet Web site contains information* to assist an individual with the licensing, permitting, and registration requirements necessary to start a business. The bill would require a state agency that the Governor determines has licensing authority to provide accurate updated information about its licensing requirements, and would prohibit a state agency from using this Internet Web site as the exclusive source of licensing information for the public. The bill would also authorize

the Governor to impose a reasonable fee, not to exceed the actual cost to provide the service, upon users of the Internet Web site.

Vote: majority. Appropriation: no. Fiscal committee: yes.

State-mandated local program: no.
